PLAINTIFF'S STATUS REPORT

Pursuant to this Court's instructions at the scheduling conference conducted on December 15, 2005, the plaintiff submits this status report on the parties' progress in working out an agreement on the defendant's outstanding medical student loan debt. The defendant has provided a majority of the information requested by the plaintiff regarding the defendant's financial situation. The plaintiff is in the process of reviewing this information and sharing same with a representative from the Department of Health and Human Services. It is the plaintiff's intention to submit a proposed payment agreement to the defendant after fully reviewing the financial information. This proposed payment agreement will involve a joint effort between a representative from the Department of Health and Human Services and the United States Attorney's Office. Because the approval of any proposed payment agreement will involve the defendant, the Department of Health and Human Services, and the United States

Attorney's Office, the plaintiff respectfully requests that this Court allow the parties an additional sixty (60) days to reach an agreement and report back to the Court by means of another status report on or before April 17, 2006.

This status report is filed solely by the plaintiff as the plaintiff was unable to contact the defendant telephonically regarding same.

WHEREFORE, the United States respectfully requests that this Court direct the parties to submit another status report on or before April 17, 2006.

Respectfully submitted,

UNITED STATES OF AMERICA
By its attorneys
